SANTA ANA, CALIFORNIA, APRIL 9, 1930

NUMBER TWENTY-SEVEN

## Will Rogers, Famous Humorist, On Santa Ana Program Friday Night

Will Rogers, well-known author, writer, and humorist, will appear at the last presentation of the International Artist Series in the high school auditorium on Friday evening, April 11.

Rogers wrote the following article which appeared in the January number of "The Club Service". "I am mighty glad so many people in America are aiding child welfare work. I used to think there might be some chance of getting our government interested in it, but that was hoping too much. Being a ranchman and a farmer and also a child owner, I have often wished that when one of my children got sick I could wire or call up some government expert, and have him come look after them. Like I do if one of my cows or pigs get some disease. If your fertilizer is not agreeing with your land, the government will send a specialist, but if the food is not agreeing the baby, why we have to find out what's the matter ourselves, and lots of times parents mean well but they don't know much.

I am so glad you people are interested in children. Course they are a lot of trouble but we just don't seem to be smart enough to find some thing that would be less trouble, that would replace them.

That's the only thing we are shy now is synthetic children.

It's not a bad idea whoever thought of doing some thing for children. If it works and you improve them, I will send you mine."

## Jaycee Dramatists Take Parts In Community Play

Doris Robbins, Eugene Olsen and Richard Zinser, three dramatists of the Santa Ana junior college took part in the Santa Ana Community Players' presentation "The Devil's Disciple" which was held in the Temple theater recently for a three day run. A record attendance filled the house each showing.

The play was under the directorship of Ernest Crozier Phillips, head of the dramatics department of the junior college.

Miss Robbins portrayed the part of "Aunt Susie" member of the Dungeon family, who were the central characters of the play. Olsen took the part of the executioner while Zinser interpreted the part of the beadle.

## Spring Vacation Slated Next Week, April 14-20

Balboa, Newport and other beaches will be the mecca of the student body of the Santa Ana junior college next week during spring vacation, which is officially slated from April 14 to 20.

The only school activity that will continue is track for the Dons have a conference meet with Fullerton on April 19. The Don will make its next appearance on April 23.

Examinations are now nearly over with the exception of a few tomorrow and Friday. After vacation, there are only eight weeks of school, this week being the first of the new quarter.

## Board Plans Vote On High School Dating

Definite action concerning the question of allowing high school students to attend junior college affairs was taken at the last meeting of the Executive board Monday at 5 p. m. in the A. S. B. office.

Baxter Geeting, chairman of the committee on the question, was further instructed to draw up a proposition to submit to the students the week after vacation. This question will be voted on to get a final decision upon the much discussed tradition. A report from the faculty stated that that body would abide by whatever decision the vote set up and would cooperate in enforcing whatever law was passed.

The college tradition now states that no high school student shall be allowed to attend a junior college affair but inasmuch as the statute is being disregarded and some sentiment against it expressed, the board thought it best to hold an election.

A report was made on the open house ceremonies tomorrow for the new A. S. B. office and it was agreed that 500 copies of the programs be printed. Another important matter that received attention was the excessive rate of speed that students drive their cars through the arcades. Another complaint was voiced concerning the alleged illegal parking of cars in the business district of Santa Ana. It was thought that perhaps the Executive board could call the attention of the police department of the practice of parking in two stalls at one time.

The board agreed to petition the school officials to grade the bumpy road back of the "Y" Hut. President George Warner then went to President D. K. Hammond, who promised to have the road smoothed out at once.

## Balboa, Newport Host To Collegians Easter Week

Collegiate week has become a fixture at the collegiate beaches of Newport and Balboa, and likewise a fixture in the schedule of many college and high school students of the Southwest. This year, according to reports from the beaches themselves, it will be more of an event than ever, because Easter week comes later than usual and nearly all the colleges have their Easter vacation at the same time, April 12 to 20, the dates of the third annual collegiate week.

In addition to the usual attractions at what is also becoming known as the West's Atlantic City, prizes will be offered to students for canoe races, novelty races, dances, fishing and perhaps other sports, according to an announcement by the Newport Harbor Chamber of Commerce.

Students of the Santa Ana junior college who have ever paddled a canoe are invited to get into the contests which will be staged on Newport bay.

(Continued on Page 3)

## Bachelors Pledge 10 Dons In Brotherhood

Nine pledges to the Brotherhood of Bachelors were taken into the club at the meeting last week and one more will receive his rolling pin at the next meeting to be held Monday, it was stated by Ernest Stump, grand exalted.

Those who were taken into the Bachelors were Tommy Cone, Bob Williams, Wayne Bartholomew, Tom Clark, John "Sky" Dunlap, Bill Reinhardt, Herman Hoch, Leonard McIntosh and Wayne Garlock. Everett Idor was ill at the time of the meeting and will be pledged next week. The meeting was held at the home of Joe Warner, 315 West Santa Clara street.

After the ceremonies of pledgship, the "scums" were forced to deliver impromptu speeches, songs and similar vocal exercises as well as partaking of refreshments. The club mascot, the paddle, was also used to some extent. The pledgship lasts six weeks, during which time rolling pin must be continually worn. The last week, popularly known as "Hell Week", will be climaxed with the final initiation.

## Junior Lions Halt Work on S. B. Center

Although actual work has temporarily stopped on the student center, work is still in progress, according to Delmer Brown, president of the Junior Lions. The students of the woodshop classes are at work on the eight foot Old English bulletin board, and since they are working on it only during their class periods, it takes considerably more time to complete.

The fountain and the twenty concrete benches to be installed in the center are being planned and arranged for by the Santa Ana board of education, and will be completed very shortly.

Members of the Junior Lions club gave freely of their periods to dig paths, spread gravel, and help in any way called upon. They will continue to help whenever needed until the center is completed.

One day was set aside when all men of the college were to come to school in coveralls, overalls, and old clothes to assist with the construction and there was a good turnout.

## Don Debate Schedule Adds Two Dual Meets

Students who are interested in the Sixth Intercollegiate Oratorical contest will meet U. Grant B. Meyer, in room 11 Wednesday, April 9, to make final plans about officially entering the contest.

As soon as final plans are made, students who are interested will hold a preliminary contest at which time one representative will be selected who will represent the Santa Ana junior college.

Several members of the student body are expected to take part in this contest and the preliminary contest is expected to be an exciting one.

## Lions Move To Help Enforce Hall Quiet

Voting to cooperate to enforce the rule of keeping students out of the halls during class hours, the Junior Lions will bend every effort to keep their own members out of the corridors, as a result of the meeting held last week at the home of Eric Twist, 1520 North Main street.

The Lions also decided to invite the Brotherhood of Bachelors to a beach party in the near future, returning the favor of the Bachelors a few weeks ago. Two pledges were inducted into the organization. Oran Asa, sports editor of the Don and Jack Rimel, "Y" worker and member of the track and football teams, received their first ceremonies.

Nelson Conway and Ray Glesener, basketball manager and assistant football manager, received their final rites of initiation.

## Dean Fisk Recalls Graduation Honors

In a reminder to graduating sophomores of the honors to be given out at the end of the term, Dean McKee Fisk today called attention to the valuable awards offered by Santa Ana firms.

The best all-around man and woman student will receive \$25 in gold from Robert L. Brown, proprietor of the Santa Ana Book store. The award is presented by President D. K. Hammond and the selection made from a faculty vote. All activities are taken into consideration, including scholarship, athletics, and leadership in extra-curricular activities.

This is the fourth year this prize has been given with the following honored: 1926, Jimmy Smith and Enid Twist; 1927, Ed Riniker and Mydas Capps; 1928, Eddie Gerhardt and Eleanor Turner.

The First National Bank offers a prize of \$50 to the best commerce major which will also be presented during the commencement exercises. Harold Watson received the award last year.

To all students who have attained an average ratio of 1.8 grade points each semester, graduation with honor will be granted, observed with a white instead of black tassel on the cap and recognition on the diploma.

## Talk On Greece Given In Assembly Program

Dr. George L. Marsh, teacher in the American School of Athens, addressed the Associated student body on the subject of Athens today in college hall.

The well-known teacher told of the rich beauty of early Grecian culture, describing the historic buildings which still remain in Athens. Effects of the Grecian art and architecture upon the modern trend were told by Dr. Marsh.

The issuing of tickets for admittance to assembly was tried for the first time, admission being limited to 200. Issuance of tickets is a plan originated by President Hammond to create interest in assemblies.

## O. K. Club Sponsors Whisker Growing Contest Among Male College Studes

### Tatlers Publish May Issue Of Tavern Post

Under the sponsorship of the Tavern Tatlers a third edition of the Tavern Post has been published. This volume exhibits marked progress for 350 copies have been printed, more than ever before, and 16 additional pages have been added to the book.

The Tavern Post has been on sale since Friday and some copies are still left. The price of the volume is 20 cents to those who subscribed and 25 cents to those who did not.

This edition was made possible by the work of Mary Ford, editor; Thomas H. Glenn, faculty adviser; Roberta Goodrich, Phyllis Jamison, and Frances Larrabee, associate editors; Corinne Nelson, art editor; Fred Humiston, business manager; Ed Kilbourne, assistant business manager; and Thomas E. Williams, printing adviser.

## Young Astronomers Plan Telescope Trip

Students of both astronomy classes of the Santa Ana junior college were fortunate in having the privilege of using the Bishop telescope located on Lemon Heights.

Holding an evening session the group assembled to study the phases of the moon and to locate several of the well-known constellations.

Mrs. Jennie L. Tessmann, astronomy instructor, assisted the students in locating the various bodies. Walter Ferris officiated at the telescope and explained the many phases of its use.

Trips to the telescope will be made frequently in order for students interested to gain knowledge of the location of the various planets at different seasons.

## Open House Thursday In Remodeled A. S. B. Office

All students and members of the faculty are invited to attend the open house dedication of the new A. S. B. office tomorrow from 8 a. m. to 4 p. m.

An attractive pamphlet has been prepared for the occasion, containing a history, purpose and work of the Executive Board and signed articles written by George Warner, student president and J. Russell Bruff, faculty adviser of the board. Some member of the board will be present at all hours to show visitors the office.

The new board that came in February entirely remodeled the office. The floor, walls and ceiling were all repainted, furniture revarnished, lampshade installed, pictures of both the old and new boards framed and hung up, the silver football trophy displayed in a handsome case, a large composite picture of 1929 football lettermen hung up and window curtains and rods put up. All work was done by the board members.

Fifty-one Dons have entered the O. K. club beard growing contest.

This contest is an annual affair terminating in Fiesta day. The prizes are being donated by local merchants, the grand award going to the most typical Spanish type full beard. The second prize will go to the best Spanish style mustache and sideburns. Third place will fall to the most unique ensemble. The longest beard will take fourth and the scrawnier will receive fifth.

The contest sponsored by the Orphan Kids strated April 1 and the judging will take place on Fiesta day May 16. The judges will be selected from the faculty.

Because some of the entrants drop out or didn't even start, the Don each week will print a special "chicken list" on the editorial page. The first list appears today—turn to page 4.

Participants in the contest are Abbott Mason, Carol Bertolet, Kench Tanaka, Frank Mansur, Tommy Cone, Raymond Glesener, Ed Meador, Cardwell Oglesby, Willard Minor, Leland Dresser, Jack Crawford, Eugene Olsen, Leroy Arnold, Don Young, Ernest Stump, Bill Crawford, Baxter Geeting, Elmer Whisler, Justin McGill, Truscott Lindsey, Virgil Brown, Albert Brown, Albert Corral, Chester Smith, Marquise Hare, Wayne Bartholomew, Robert Martin, Marion Nau.

Herman Hoch, Rod Chamberlain, Arthur Beddoes, Leonard McIntosh, Nevin Hoy, James Lukens, Julien Lecrivain, John "Sky" Dunlap, Julius Kusel, Felix Gurnsey, Herman Goodwin, Jack Frost, Don Hermes, Edward Adams, Bob Williams, John Gordon, Norman Wood, Max Appleby, Kenneth Eastman, Bill Reinhardt, Lawrence Heide, Theodore Roth, Erich Reinau.

## Students To Attend Famous Mission Play

Several members of the History 8B class are planning to attend the Mission Play at San Gabriel on April 25. Students plan to gain many new impressions of early history of California after seeing this famous historical production.

## Vote Below On Makeup Of Don You Like Best

How do you like the looks of the Don this week?

In an effort to determine what taste the student body prefers in the makeup of the Don, the editors this week present a conservative paper.

Do you like this type or do you prefer headlines and black type? Write your preference on the line, tear out article below and take the time to put the ballot in the Don box across from the bulletin board or bring to the Don office.

Name .....  
Conservative, semi-conservative or sensational? .....

# CLUB LETTERS SUPPORTING FIESTA DAY, MAY 16

For the purpose of making the 1930 Spanish Fiesta in the Santa Ana junior college on May 16 a pronounced success, many clubs and organizations have signified their intention to help Miss Clara Kate

### LONGFELLOWS

Miss Clara Kate Owens,  
Chairman, Fiesta Committee.

Dear Clara Kate:

In making the 1930 Spanish Fiesta the best in the history of the college, the Longfellows club would like to offer its help in any way possible. Our entire membership is at your disposal and you need only to point out the work to be done.

With best wishes toward the success of the Fiesta.

Sincerely yours,

LONGFELLOWS CLUB

John "Sky" Dunlap, Pres.  
Ed Adams, Sec.

### JUNIOR LIONS

Miss Clara Kate Owens,  
Chairman of Fiesta.

Dear Madam:

The Junior Lions club offers its services to you, either individually or collectively, in helping you in your work on the Fiesta. We realize that you have a big job on hand; and we want to do our share, as a junior college organization, to help you put on the biggest and best Fiesta our college has ever had.

Hoping you the greatest amount of success possible, we remain

Yours truly,  
JUNIOR LIONS CLUB

Delmer Brown, Pres.  
Fred Humiston, Sec.

### BROTHERHOOD OF BACHELORS

Miss Clara Kate Owens,  
Chairman Fiesta Committee.

Dear Clara Kate:

Members of the Brotherhood of Bachelors offer aid to you in helping to put over the fiesta.

If they are able in any way to help you, please call on them. They think that the Fiesta is an important tradition and wish to help put it over to the best advantage of the college.

Sincerely yours,  
Brotherhood of Bachelors

Ernest Stump  
Grand Exalted  
George Butler,  
Keeper of the Writ.

### O. K. CLUB

Miss Clara Kate Owens,  
Chairman of Fiesta Committee.

Dear Clara Kate:

It is the hope of all members of the O. K. club that there will be some way in which they can be of help in making the Fiesta a success. In the event that you have something for them to do, please do not hesitate to call upon them. They are anxious to help.

The Fiesta is a tradition of the college, and one to be valued. The O.K. club stands behind it collectively and individually, and wishes you the best success in putting it over.

Sincerely yours,  
O. K. CLUB  
Abbott Mason, Pres.  
Helen Mayes, Sec.

tradition. The Brotherhood of Bachelors, Junior Lions, Beta Gamma, Longfellows, Cervantes and O. K. Club are all taking a forward step for the occasion and their letters follow.

### CERVANTES CLUB

Clara Kate Owens,  
Chairman Fiesta Day Program.

Dear Miss Owens:

In view of the fact that Fiesta Day is one of the most important traditions of our Alma Mater, the Cervantes club wishes to do its part and more in cooperating with you to make this day of Spanish gaiety the biggest and the best ever.

The Cervantes club is characterized by its interest in Spanish customs and ideals, and it is our purpose to extend this interest among the Dons and Donas of Santa Ana junior college. Therefore we offer our help in reviving the spirit of old Spain for the Fiesta program.

Yours for a successful Fiesta,  
CERVANTES CLUB  
Erich Reinau, Pres.  
Grace Haskell, Sec.

### BETA GAMMA

Miss Clara Kate Owens,  
Chairman of Fiesta Program.

Dear Miss Owens:

Realizing that Fiesta Day with all its recollections of the dashing days of the Dons necessitates a great deal of planning and work, the members of Beta Gamma wish to cooperate with you in making this year's celebration a success. As the purpose of the Beta Gamma is to encourage and aid in the progressive work of our college, we are offering our services, either individually or as a group, to assist you and your committee in your endeavor for a bigger and better Fiesta.

Fraternalty yours,  
BETA GAMMA

Virginia Thomas, Pres.  
Mary Ford, Sec.

Riverside Track  
Meet Friday

# DON SPORTS

Chaffey Baseball  
Game Saturday

## Santa Ana Opposes Riverside Jaycee Tracksters Friday

Santa Ana jaycee's track team, with one victory and one defeat in conference dual meet competition, will take on the strong Riverside junior college team on the local field next Friday.

If Captain Warner is lost for this meet also the local men will be greatly handicapped, but if all the Don athletes come through with their best performances, it is very likely that the locals can upset the dope and defeat the visiting Riverside team.

Melvin Beatty, and Eric Reinau, the local javelin throwers will get plenty of competition from Fink of Riverside. Fink has already been hitting the 160 foot mark. Fink will also be the favorite in the shot and discus. He tosses the shot around 40 feet, and the discus close to 125 feet.

The local sprinters, Rodriguez, Keeler, and Tanaka, will get plenty of competition from Ferguson and Wood of the Riverside jaycee team. Shaner is the Riverside hurdler. He steps the high in around 16.5 and the low around 27 flat. Captain Warner will be greatly missed here but Bartholomew, Sweetnam, Schoenberg, and Lindsey may be able to fill in.

Tom Donahue should win the mile, but will get competition in the two mile, where Hoffman is a 11 minute man. Smith, the Riverside quarter-miler runs the mile around 5 minutes. Wood, Riverside quarter miler is almost a cinch to win his favorite event. He made the trip to Berkeley on the all-star conference team as the 440 man. Cone, Schutz and Schoenberg will oppose him.

Jack Rimel is a favorite to cop the pole vault. So far the Riverside team has shown no vaulters of exceptional ability. Beatty should place also.

Art Jacques should defeat the Riverside high jumper. Jacques should hit the six foot mark soon. Wayne Bartholomew will also represent Santa Ana here. Brummond and Ferguson, the Riverside broad jumpers both do better than 20 feet, and should finish one two in this event. Beatty may get in here.

## Lettermen Organize To Promote S. A. J. C.

No high school monograms, emblems shall be worn on the J. C. campus, was the verdict of the Varsity "S" club the other day. Only those of Santa Ana jaycee shall be worn. This was done in order to create an air of distinction for those having earned letters at Santa Ana J. C.

The club, which was organized in an effort to interest high school athletes in Santa Ana, is going to send special committees to the different schools of Orange county, which will put on a program, and invite five or six athletes to the Fiesta day, holding a show party for them in the evening, and on the following day, May 17, give them a beach party. "In this way", states president Jack Dutton, "The fellows can get acquainted with each other, and arouse their interest in the affairs of our institution."

## LONG BEACH BASEBALL TEAM DEFEATS DON TEAM 4 TO 2

Long Beach junior college's baseball team again defeated the Santa Ana baseballers last Friday, on the local field 4 to 2. Several weeks ago using the Bishop telescope located on score of 13 to 9. Both of these games were practice affairs.

Orville Schuchardt, Don flinger, pitched good ball for Santa Ana. The Vikings tallied two runs off a scratch hit and some errors in the first inning but were blanked by Schuchardt until the seventh when Sackett and Yellowvitch hit safely to score Sagerhorn and Mobley.

The Dons made one run in the fourth inning when Melvin Beatty homed far over the left field fence, and another in the seventh when Schuchardt, Valentine and Whisler all hit safely.

## Padres Drop Opening Net Matches To L. A.

Santa Ana's tennis squad lost a 6 to 0 decision to the Los Angeles racquet wielders last Saturday, in the opening of the conference schedule. Santa Ana was forced to forfeit the second singles, and first doubles, because of the failure of the appearance of several Santa Ana players. The matches were played on the Fullerton high school courts.

Next Saturday, April 12, the Dons take on the Santa Monica jaycee, on the local courts, in the second round of the conference schedule.

The results:  
Stoefen (LA) defeated White (SA), 6-3, 6-0.  
Steiner (LA) won by default.  
Good (LA) defeated Oglesby (SA), 6-0, 6-2.  
Hale (LA) defeated Hare (SA), 6-3, 6-3.  
Palmer and Thompson (LA) won by default.  
Mitchell and Fox (LA) defeated

## ASA Trumps

By Oran Asa

Since the last issue of the Don (March 26), lots and lots of things have happened. For one thing the freshmen are evening up on the the sophomores. They licked the upperclassmen in a 14 inning indoor ball game 4 to 3. Yes, and Coach Clyde Cook's baseball team has been doing things too. They licked the Cal Tech varsity by a score of 11 to 9, defeated the Garden Grove high school in 7 innings, 24 to 4, and dropped two close games to the powerful Viking nine.

Santa Ana's other Cook, who happens to be Bill, has also been making his cohorts do things. In fact three school records have been broken since March 26. Captain Joe Warner stepped the 220 lows in the remarkable time of 25 seconds flat, to eclipse the old mark hung up Charley Webber in 1926 by a full second. Tom Donahue broke the 2 mile record, when he turned in a 11 minute 7 second time. Both of these marks were made while Cook's tracksters were defeating the Citrus jaycee 75-56. The third record to go was Blanchard Beatty's javelin mark. His little brother, Melvin, waved the spear out 175 feet last Saturday, while the San Berdoo tracksters were winning.

By far the saddest part of that defeat by San Bernardino was the injury of Captain Joe Warner. A week previously he had established himself as one of the best hurdlers in the conference by running that 25 second flight of hurdles. Warner is the fastest sprinter on the squad, by far the best low hurdler, the best broad jumper, and the mightiest weightman. In other words, Warner is half of the Santa Ana track team. If he is lost to Santa Ana, the track team is just about shot.

Our Long Beach brothers set some kind of a record last Saturday, or I should I say our Santa Monica brothers did the setting. Well anyway, as the story goes, Long Beach defeated the Santa Monica tracksters 127 2-3 to 3 1-3. That should be some kind of a record, but the question is who holds the record, Santa Monica, or Long Beach. A week previously the Compton Tartars licked that same team 121 1-2 to 9 1-2. Lets give the record to Santa Monica for scoring 12 5-6 points in two meets.

Talking about world's records, Herman Brix shattered the existing shot put record last Saturday when he heaved the 16 pound pellet out 52 feet 4 inches. John Kuck formerly held the record at 52 feet 11-16 inches, set at the Olympic Games in 1928.

Well I see in the papers that there will be no more stalling in basketball games. At the National Association of Basketball Coaches in Chicago, last week, the cage mentors voted to abolish stalling. If one man holds the ball more than 5 seconds, the referee will call a "jump-up". This certainly will speed up the game.

Speaking of rules, the football rules committees have also been at work. They have authorized the referees to count to 6 in between the shift and the snapping of the ball.

## Santa Ana Dons Drop Meet To San Berdoo

Coach Bill Cook's Don tracksters dropped their second conference dual meet last Saturday to San Bernardino jaycee, by a score of 77 2-3 to 53 1-3 at San Bernardino. Joe Warner, Don captain, pulled a muscle in the first race of the day, the 100 yard dash, and was unable to compete in his favorite events.

Melvin Beatty's toss of the javelin of 175 feet was the feature of the meet. It breaks the school record set by his brother, Blanchard Beatty in 1928, at 158 feet 6 inches. It also cracks the conference mark. Tom Donahue was not extended in the mile, finishing in 4 minutes, 48 seconds. He also finished a close second in the two-mile, at 10:48. Tommy Cone won the quarter in 54 flat, and took second in the 880, which was won in 2 minutes, 2.1 seconds.

Warner's absence undoubtedly cost the locals from ten to fifteen points. He had been counted on to place in the 100, 220 and win the 220 yard low hurdles. Had Warner been in condition, the Santa Ana Dons might have taken the meet. He won the shot before he ran the 100, at 35 feet.

The results:  
100-yard dash—Jones (SB) first; Sparks (SB) second; Corzine (SB) third. Time, 10 2-5 seconds.

220-yard dash—Jones (SB) first; Sparks (SB) second; Keeler (SA) third. Time, 23 2-5 seconds.

440-yard run—Cone (SA) first; Patton (SB) second; Schutz (SA) and Schoenberg (SA) tied for third. Time, 54 seconds.

880-yard run—Lockabey (SB) first; Cone (SA) second; Adams (SA) third. Time, 2 min., 2 1-5 seconds.

Mile run—Donahue (SA) first; Loutz (SB) second; Adams (SA) third. Time, 4 minutes, 48 seconds.

2-mile run—Otto (SB) first; Donahue (SA) second; Payne (SB) third. Time, 10 minutes, 38 seconds.

120-yard high hurdles—Jones (SB) first; Adams (SA) second; Sweetnam (SA) third. Time, 16 2-5 seconds.

220-yard low hurdles—Stephens (SB) first; Jones (SB) second; Scho-

## Coach Cook Becomes Sport Club Adviser

Coach Bill Cook will be faculty adviser for the Russian club, it was stated today. The athletic mentor is an ardent follower of water sports and is very enthusiastic about the club's activities.

The Russians have become quite well known for their surf board riding in Corona Del Mar. Under the leadership of Carol Bertolet, the team is composed of Herman Reinau, Wellington Bertolet and Wayne Garlock.

## THREE RECORDS FALL BEFORE SANTA ANA TRACK SQUAD

The school records are as follows:  
100 yard dash—"Red" Guyer, 9.8 seconds, 1928.

220 yard dash—"Red" Guyer, 21.6 seconds, 1929.

440 yard dash—Herbert Stro-sheim, 53 seconds flat, 1926.

880 yard run—Robert Vawter, 2 minutes 1-8 seconds, 1926.

Mile—Robert Vawter, 4 minutes, 34 7-10 seconds, 1926.

2 mile—Tom Donahue, 11 minutes 7 seconds, 1930.

High jump—Robert Jacques, 6 feet, 1929.

Broad jump—Al Claves, 21 feet 8 inches, 1925.

Pole vault—Everett Lutz, 11 feet 3 inches, 1926.

Discus—Aubrey Reinhardt, 123 feet 3 1-2 inches, 1927.

Shot put—Aubrey Reinhardt, 40 feet, 1927.

Javelin—Melvin Beatty, 175 feet, 1930.

120 yard high hurdles—Charles Webber, 16 seconds flat, 1926.

220 yard low hurdles—Joe Warner 25 seconds flat, 1930.

4-man mile relay—(Squires, Martin, Twist, McIntire), 3 mntes 35 seconds, 1927.

enberg (SA) third. Time, 26 1-5 sec. onds.

Shot put—Warner (SA) first; Stephens (SB) second; Sands (SB) third. Distance, 35 feet.

Pole vault—Yates (SB) first; Rimel (SA) second; Beatty (SA) third. Height, 10 feet, 3 inches.

Broad jump—Corzine (SB) first; Beatty (SA) second; Fogler (SB) third. Distance, 20 feet, 3-4 inches.

Discus throw—Adams (SA) first; Folger (SB) second; Reinau (SA) third. Distance, 107 feet, 2 inches.

High jump—Jacques (SA) first; Sweetnam (SA) second; Bartholomew (SA) Folger (SA) and Price (SB) tied for third. Height, 5 feet, 6 inches.

Javelin throw—M. Beatty (SA) first; Adams (SB) second; Sands

## Don Baseball Card Opens Saturday At Chaffey J. C. Field

Coach Clyde Cook, jaycee baseball mentor, will take his team to Ontario this coming Saturday, for the opening of the conference baseball baseball schedule with the Chaffey nine.

All that is known about the Chaffey team is that the Long Beach Vikings defeated them 2 to 0 a few weeks ago. This same Viking nine defeated the Dons in two games 13 to 9 and 4 to 2.

Zeke Keough, Chaffey all-around athlete, will probably do the mound work for the Ontario team. He held the Long Beach sluggers to four hits, while the best the Santa Ana pitchers could do was to hold them to 8. He also whiffed 9 of the Viking batters, which speaks pretty well for him.

The locals will probably line up with Melvin Beatty behind the bat, Orville Schuchardt doing the flinging, Vernon Valentine at first base, Charles Andres at second, Albert Coral at third, Scott at short, Van Meter at left field, Swede Whisler at center field, and Kench Tanaka at right field.

## What Do You Think Of This Sport Page?

How do you like this kind of a sport page? Or do you prefer headlines, big heads and pictures? Turn right now to Page 1 and column six and vote for your preference. Every vote helps.

(SB) third. Distance, 175 feet. (New S. A. College record, replacing former mark of 158 feet, 8 inches held by Blanchard Beatty, 1928.)

Mile relay—Santa Ana (Cone, Dresser, Adams and Schutz) first; San Bernardino second. Time, 3 minutes, 41 seconds.

Happy Days Are  
HERE Again-

Visit Newport-Balboa for the Third Annual

COLLEGIATE WEEK

April 12 to 20

Spend your Easter vacation where the joys of living are supreme . . . . Sail or paddle or motor in placid Newport Bay or the blue Pacific itself . . . . Swim in all-year waters . . . . Loll in clean, white, warm sand . . . . Dance in the finest, coolest ballrooms, to the music of thrilling orchestras . . . . Spend sunny days and dreamy nights where life is made more pleasing and happier . . . . Rest and live and play at the West's Atlantic City.

Prizes given during the week for canoeing, fishing, dancing, etc., open to all students.

Women's Interclass  
Baseball Game Today

Santa Ana jaycee Donas will hold their first baseball game today. The game is to be between the freshmen and the sophomores. Due to their better showing in practice, the frosh will be the favorites to win.

The freshmen women seem to have the upper hand in the interclass competition. They defeated their "older sisters" in basketball and hockey.

Those girls who are out on either of the class first teams, will take on the Santa Ana high school sophomores in a second game.

The freshmen boys have challenged the girls to a baseball game, and it will probably be played right after spring vacation.

Those girls having the highest attendance record are to play on the teams while the others will play the high school girls. Following is the tentative lineup for the freshmen: Marjorie Walton, Elsiebell Hurd, Jean Anderson, Helen Lee, Vivian Herr, Gladys Earley, Audrey Teel.

Phillips Names Leads  
For "The Show Shop"

"The Show Shop" will go into on-tensive rehearsals this week under the direction of Ernest Crozier Phillips. Preliminary rehearsals have been in charge of Mrs. L. L. Beeman. After completing a cast of unprecedented size Mr. Phillips will have plenty of time to polish the difficult production before fiesta day which is the presentation date.

Clara Kate Owens and William Jerome in the leading roles are forced to share honors with Eugene Oelson and Fay Stinson in character parts. An exceptionally fine supporting cast will force the leads to dramatic heights if they wish to keep in the spotlight.

An intimate view of the final rehearsal of a New York stage production is one of the interesting features of "The Show Shop" which is a hot bed of theatrical parlance from start to finish.

Irene Whisler, and Agnes McKinstry. The sophomores will probably lineup as follows: Mildred Staples, Lillian McDonald, Frances Larrabee, Lavinia Compton, June Arnold, Ida Spicer, Virginia Thomas, Esther Guyton, Eleanor Metzgar and Agnes Steward.

Salesman: Is there anything else I can show you about the car?

Buyer: Yes, please show me how to turn on the radiator if the engine gets too cold.

"Dress Up" Time is here. Do it for less at—

Secretary Of Y. W.  
To Visit Local Group

Word has been received from Miss Helen Price, National Y. W. C. A. secretary, that she will visit the college Y. W. C. A. here on April 28 and 29.

Mrs. Jennie L. Tessmann will speak on India at the next Y. W. C. A. meeting to be held on April 28. Mrs. Tessmann is very well fitted to speak on this topic.

The proposed retreat for the Y. W. C. A. will take place on May 23-24. The beach has been selected as the probable place for the outing.

Members of the Y. W. C. A. met with the Y. M. C. A. after their banquet which was held last Monday night in the city "Y".

Demonstration Made  
Of Theatrical Makeup

A representative from Max Factor's, nationally famous theatrical make-up firm of Hollywood, gave a demonstration of theatrical make-up before the combined college drama classes Monday night. Max Factor's is probably the foremost professional cosmetic house in the business and the local students feel very fortunate in being able to hear and see the work of such an authority. Ernest Crozier Phillips, head of the dramatic department took a course in make-up at this Hollywood house last summer and it was through that connection that he was able to secure a local demonstration.

(Continued from Page 1)

There will be canoe events for co-eds including a novelty race wherein one girl paddles or steers the canoe while another sails it with a big umbrella. Prizes will be offered to the person who catches the biggest fish at the Newport pier and another to the person who captures the largest one at the Balboa pier during the nine days.

New buildings, better streets and lighting, better boating and similar facilities make the Collegiate beaches more collegiate than ever, says an announcement. Many students will no doubt be able to meet their fellow collegians from many institutions at Newport and Balboa during Easter week.

WE dye all kinds of shoes including White Satin to match your dress.

108 East Fourth Street

Don Debaters Plan  
Additional Meets

Santa Ana junior college debaters have scheduled a dual debate with U. C. L. A. which will take place May 6. Resolved: "That Mexican immigration should be restricted on the same basis as European immigration into the United States" is the subject to be discussed.

Tryouts will take place in the near future and the debaters will begin gathering necessary material.

Women debaters will meet U. C. L. A. in a similar contest at some later date in April. This will also be a dual debate.

U. S. C. debaters will be met in a dual, non-decision debate in a few weeks. According to U. Grant B. Meyer, forensic coach, the subject and debate will be set within the next few days.

J. C. Student Loan  
Fund Shows Increase

Since 1921 a fund has existed in the Santa Ana junior college which is raised to assist worthy students in continuing their education.

Each year a drive, sponsored by the associated students is made to raise money for the next year's fund. In 1927 a drive for additional funds added \$13.33 to the sum. Each year, with an increase in enrollment, the fund was enlarged. In 1928 students contributed \$18.73 toward the worthy cause. Increasing the amount in 1929 the drive brought \$19.37.

This year stands out as the most progressive in many ways. Feeling that the student loan fund was worth the support of the whole student body, \$28.51 were donated.

The drive this year was of a three-fold nature. Associated student body officers sponsored the first part of the drive by issuing clever badges to those who subscribed. Adding something new, the associated student body put on an informal dance in Andrew's gymnasium. As a third means of showing genuine Don spirit, proceeds from the frosh-soph baseball game were added to the general fund.

French Group Plan  
Art Gallery Visit

Bon Matin French club members are contemplating on making a visit to the Huntington art gallery at Pasadena, it was revealed today. Plans for the proposed trip were discussed at the end of the class hour on Friday.

The class will leave in the afternoon and a stop will be made for luncheon in one of the cafes in Pasadena.

At the present time the art gallery has a large collection of French paintings. The trip should prove to be worthwhile and educational.

O. K. Dance Marked  
Successful By Guests

Over 150 guests attended the O. K. club's first annual dance, the O. K. Drag, at the San Clemente social club. Friday evening, March 28.

The affair was a marked success, according to all reports given out by those who were there.

Low rafters, hand painted; original oil paintings, decorative chandeliers, wrought iron; and strains of music took the gay señoritas y caballeros into fascinating reveries. Everett Idler and his Varitonians furnished the music.

Miss Agnes Todd Miller, social advisor, Miss Mable Whiting, Mrs. Robert Northcross, and Mr. and Mrs. H. A. Scott were there as patrons and patronesses.

Those committee chairmen together with their assistants, who were responsible for the success of the dance were Abbott Mason, general chairman; Hazel Guilbert, programs; Mary McHenry, arrangements; Ray Glesener, finance; Norman Wood, publicity; Jean Giller, refreshments; Helen King, bridge hostess; and Helen Mayes, who helped in general.

French Club Members  
Mark French Holiday

Driving to Dana Point in the early morning, members of the L'Hotel de Rambouillet French club enjoyed a 7 o'clock breakfast and club program Monday morning, March 31, at the Chez Aubert French restaurant of the beach city.

The breakfast was in celebration of Pâisson D'avril or April fool's day of France. Small cards in the shape of fish were used as place cards; this was in harmony with the French custom of always mentioning some fish in an April fool's joke, explained by Isabelle Siracusa, president of the club.

Julian L'Ecrivain president of the Bon Matin French club was present as a special guest.

Thanks Offered By  
Tavern Post Editor

Miss Mary Ford, editor of the last issue of The Tavern Post, literary publication of the Tavern Tatlers, submitted the following message to the Don.

"I wish to make known my deep appreciation for the interest the student of the college have shown for the May issue of the Tavern Post. I mean by this the contributors and the count of the few pages used, it was impossible to publish all of the many fine compositions entered. May I say that it was most difficult to select those that were published."

Dates Announced For  
Algol Group Pictures

Group pictures for the Algol will be taken on Thursday, April 10, according to Frank Mansur, who is business manager of the yearbook. Organizations whose pictures are scheduled for Thursday will be given no other opportunity for having them taken.

Each group is given a set time to report in order to cause the photographer no unnecessary waiting.

Schedules for the group pictures are as follows: Alpha Rho Tau, 10:20; Don staff, 10:25; Forensic, 10:30; Cervantes, 10:35; A. W. S. cabinet, 10:40; Lettermen club, 10:45. Drama pictures will be taken from 11 to 11:45 in the high school auditorium.

Other group pictures to be taken during the noon hour on Thursday are the following: Tavern Tatlers, 12:35; Press club, 12:40; O. K. club, 12:45; Yell Leaders, 12:50 and Fiesta Committee, 12:55.

Music groups will report for their pictures during the period just after the lunch hour. Orchestra members will meet at 1:10, men's chorus, 1:15; Women's Chorus, 1:20; Mens' Quartet, 1:25, and Women's Quartet, 1:30.

Members of the Y. M. cabinet will have their pictures taken at 1:45 and members of the Y. W. cabinet will report at 1:55.

Athletics will be scheduled as follows: Track team, 3:10; Baseball, 3:15; Golf, 3:20; Life Saving, 3:30; Girls' Swimming, 3:35; Women Coaches, 3:40; Script "S" Girls, 3:45, and Tennis, 3:50.

Press Club Members  
Hold Social Tonight

All is in preparation for the Press club pot-luck supper to be held in the "Y" hut tonight at 6 o'clock. Scrivners have been asked to abandon their house dinner plans to attend the first social meeting of the year. The affair is in charge of Frances Brown, Nellie Sackett and Mary Elizabeth Smith.

Several short dinner talks will be given by members of the group. A short business meeting will be held after the dinner. Outlines for future plans for the semester will be planned.

Everett Idler will play several selections on the piano. This feature promises to be the highlight of the program.

Officials of the club have received the consent of Erich Lasch of Placentia to play several solos on a piano accordion. This will be a rare treat for the club members for accordion soloists are few.

Wayne Hofer, another Don will play several selections on his saxophone, accompanied at the piano by his sister.

## Is This High School or College?

The question of whether high school girls shall be permitted to attend junior college affairs is still waging and an election will shortly be held to decide the issue for all time.

On the face of things, the agitation is rather foolish. This question was settled definitely several years ago and the situation then is no different now. A forgotten part of the by-laws of the Executive Board unearthed last week said as follows, "no high school student shall be admitted to any junior college social function."

About the only argument the opponents of this tradition can find is that it was a faculty rule. They insist that students should have the final say-so. This argument is entirely refuted in black and white by the official law of the Executive Board. Furthermore, it is only a small minority that are arguing for a change.

The result of the election will be final. Student opinion will be voiced. The tradition of collegians at college affairs will stand or it will not stand. It is hoped that personalities and petty arguments will be absent in the campaign and only real facts will be presented. For equal representation a joint committee of proponents and opponents will draw up the question to be voted on.

Express your honest opinion but keep in mind the fact that when high school students attend college affairs, the collegiate atmosphere is lost. Instead, the general public might as well be invited, in so far as college spirit is concerned. Get away from that high school influence—you're in college now.

## Why Is A Fraternity?

The answer to the above question might bring many answers but how many would be really worthwhile? Just why is a fraternity?

The members of fraternities are in a way disloyal to their school. They are using their time and energy in keeping up with a frat whereas everyone would be much better off if this same time and energy were used to advantage in promoting college activities and making Santa Ana junior college one of the best in the Southland. The frat man receives no publicity, no one knows what he is doing and cares less. If one the other hand, he worked in bonafide activities, he would become a leader in the college in worthwhile organizations.

Leaving the question of legality out of the question, just why is membership in a fraternity appealing? Why, in some cases, does a college man wish to belong to an organization including high school students? Isn't it just a little bit lower than necessary to have to mingle with youngsters? Why not fraternize with college men, with college clubs and college spirit?

It is a well known fact that membership in a high school or jaycee fraternity does not help in entering a national frat in a big university. Therefore, until you go somewhere else to school, why not get interested in college organizations that do a real service to the school instead of wasting your money, time and leadership on an illegal, secret and parasitic fraternity which may or not do any harm but which absolutely does no good?

## Sky Liners

By "Sky" Dunlap

### EXAMINATIONS

Mid-term exams are nearly over! A good time was had by all. The only draw back was that the tests should have been scheduled one week later to allow the Dons and Donas to recuperate on the sands of Balboa, Newport and elsewhere and give the profs a chance to correct the papers in their leisure moments. Maybe next year.

### ROLLING PINS

There are rolling pins and again there are rolling pins but some seem to carry a little red piece of ribbon and a safety pin around. Ask the man who owns one. You can easily tell him because the seat of his pants is quite shiny and thin. The little dardeship, too

## SOLUTION

As I rode o'er the billows  
Beside the Y. W. Hut  
I-wished I had four pillows  
To put in every rut.

Every day I jounce and jolt  
Across "Hell's Half-acre",  
Hear creaks and groans in every bolt  
Of my gas inhaler.

To walk across this rolling beach  
Is difficult indeed,  
But he who drives must hold his  
teeth,  
And cling in fear to his tin steed.

### L'ENVOI

If someone doesn't fix this drive,  
We make this suggestion:  
Just charge a dime—watch business  
thrive—  
Make it a concession.

—Scotty

## Whisker Pome

(With apologies to O. K. Club Whisker contest).  
Beards to the right of me,  
Beards to the left of me,  
Stubble growth and dirty chins galore.

Whiskers black and white and red,  
Sideburns clear from jaw to head,  
And one wonders what the fuss is for.

From Columbus to Quixote,  
Man has cherished hair and goatee,  
And the maidens cry in horror at the sight,  
Santa Ana Junior College,  
Supplement with beards its knowledge,  
And for weeks the fad will wage a sturdy fight.

Men will feel full sad and sorry,  
At the spectacle so gory,  
When their whiskers fail to sprout to their desire.

But no matter of fact they quit,  
Other chins will carry grit,  
While their owners heads will pride go higher.

lings only have five more weeks of

### HIGH SCHOOL DATES

What do you think about high school dates at college affairs? No, we don't either.

### FRESHMAN DANCE

Be sure and remember to get a junior college date for the frosh-soph dance April 25, at the Women's clubhouse in Orange. All sophomores admitted free with A. S. B. ticket—a break. April 25 at 9 bells.

### SUNBURNED, OH, NO!

Slap the next 10 people you see on the back and see how many of them are sunburned. You'll be surprised.

### DOGSENSE

Garlock's dog seems to be a permanent institution around the college.

Wherever anything is doing, you'll find the white and brown mutt. He runs down the track in front of some plodding Don like a stray comet. And when he curls up in some automobile to go to sleep, he doesn't cater to old Henry. Goodness no, he takes the biggest, shiniest and most expensive car in the college (which sometimes is

## EXCHANGES

The Letterman's club of Santa Monica junior college held its first meeting last week. This club is only temporary but will be a thing of reality when the fellows get their awards due them.

Citrus junior college women's basketball team gave the men's varsity basketball team a dinner at Old Kentucky home.

"Red Mill" was given by Pasadena junior college to a full house last week. Critics praised the production and the audience prolonged the applause.

The Junior Lions of Pasadena junior college selected Balboa in the dead of night for the initiation of 14 new members.

## Tests

"This is the first time that I ever was the first one to come out of that room on examination day" smilingly said a junior college girl as she stepped into the hall of the science building and closed the door of the classroom marked "chemistry department" behind her. Then others soon began to come out of the same room and heaving a sigh of relief hurried on to right or left. On entering the room one first sees a human skeleton in a glass case. How white its bones appear on this blue Monday.

Several students scattered about in the rows of chairs which are placed one row above another in alphabetic style. Class period is now over and they might leave but for certain numbered groups of words on the black boards.

It seems surprising that a few lines written in examination form would cause such serious and earnest contemplation as was plainly seen by those worried students. But it was so, for these words they would be graded. A nod of welcome from the instructor relieved the tenseness of the atmosphere and made the visitor feel welcome.

As one glances about the room he sees a row of balances across the back and several more on the counter just to the left of the instructors desk. Near the end of the counter is a door opening into the stock room. Through this room one may find passage way to that most interesting room the laboratory, more commonly known in student language as the "Lab".

It is a room of work tables, flasks, test tubes, bottles, odors, and explosives. How they work in here that the students largely determine how they will go out that door on examination day, according to a pleasant faced young man they call "Bill".

rather cheap) and curls up for a nap. Quite a dog, yep, quite a dog.

### IN CONCLUSION

And so, after perusing ye El Toro, did hitch up ye mare and canter off to ye printerie.

## Bachelor's Bulletin

The Bachelors Bulletin, a column of comment, will begin in this issue of the Don and will continue from week to week. Current questions concerning the school will be discussed by members of the Brotherhood in carrying out their purpose as a service organization.

Until this year a Bachelor's Bulletin was written each week, illustrated by pictures and livened by bits of humor, and was posted on the bulletin board in the main hall. Last semester the practice was discontinued and substituted by comment written in the Don's Daily by pledges.

No bulletin of any kind has been published this semester, but some constructive as well as humorous comment is promised weekly.

## Is That Nice?

Shades of EL TORO! The results of the El Toro "Prominent Personality" contest are at hand. It is a well established fact that a persons importance on this campus is in direct proportion to the amount of notoriety which he or she receives in the annual razz edition. Basing our results on the current number of El Toro, this column pronounces the following persons to be the most prominent characters on the Santa Ana J. C. campus.

Names are listed according to ranking.

1. Fisk
2. Newcomer
3. Hammond
4. Tesson
5. Bruff
6. Miller

Some of the runners up were Meyer, Schnebley, Roth, Glenn, Nealley, Warner, Geeting, Northcross, and Greenleaf. Of course there were many "also rans".

Why should anyone become incensed over what is said about them in the Don scandal sheet when it is a bona fide indication of their influence on the campus? This writer feels highly insignificant over the fact that his name appeared only in the mast head.

If the O. K. club beard growing contest is a success the winners may petition for a local chapter of the House of David. We might even have King Benjamin Prunell as a speaker on Fiesta day.

Which reminds us of a basketball game between a famous girls team from Chicago and muchly bewhiskered team from the House of David at Benton Harbor, Michigan. The officials very wisely formulated the following floor rules.

## F-A-B-L-E!!!!

Once there was a student who knew more of less than any other person, And what makes it fabulous is that he cashed all this superb knowledge of nothing into Rolls-Royces, yachts, etc., etc.

But you and I . . . . . we work for a meager living.

But you and I . . . . . we need stamina and lots of it.

So we drink our glass of milk at each meal and at last we pass the fabulous person a thin dime at his urgent request. (Certainly, it was Excelsior milk. Tel., 237 for service.)
